

MOBILE TESTING INFORMATION

Harris County Public Health and local public health agencies are providing community-based mobile testing sites to residents who need it the most.

TEST RESULTS

Once you have completed the testing process, you may access your test results online through a patient lab portal.

How to access test results through Quest Diagnostics

- Go to www.questdiagnostics.com/home/patients
- Create a new account or sign in to an existing account
 - New account requires: Full Name, Date of Birth, Address and 10-digit phone number
 - Existing account requires: Username and Password
- Results will be available on the Quest patient portal 48 hours after results return from the laboratory

ABOUT MOBILE TESTING

The mobile drive-thru testing sites have been scheduled, in partnership with Harris County Precincts, between several locations in undisclosed designated areas. The goal of implementing our mobile testing sites is to maximize our reach across Harris County and ensure Harris County residents, across all 4 of our precincts, have access to additional COVID-19 testing opportunities.

While you wait for your test results, we urge you to continue self-isolation.
